Dalton Town Hall, Callahan Room
Dalton, Massachusetts

- B. Introductions of Town Representatives

II. Purpose of the Berkshire Metropolitan Planning Organization & Duties and Requirements for Subregional Representative and Alternate

Clete Kus, BRPC Transportation Program Manager, will give a brief overview of the functions of the MPO and the duties and responsibilities of the Subregional representative and alternate.

III Selection of a Representative and an Alternate to the MPO from the North Central Subregion

The town representatives will determine an appropriate representative and alternate to represent this subregion on the MPO. The representative and alternate must be from different towns. The representative (or in their absence, the alternate) must be prepared to make decisions on the MPO which they feel serve the best collective interests of the entire region, not necessarily their individual town.
