

The Berkshire Regional Planning Commission invites you to a workshop:

Municipal Actions on Marijuana Legalization

On November 8th, Massachusetts voters approved Question 4 which legalized possession, use, distribution and cultivation of marijuana for recreational use. There are various issues local governments will confront with Question 4's passage and significant unanswered questions about exactly what should and can be done, and when, at the local level. This workshop will address issues, including:

- Where are we now? What is permitted? What happens next?"
- Issues to consider related to a temporary moratorium on retail and related operations
- Local options to regulate, including complete prohibition
- Zoning for marijuana retail, growing, and processing operations
- Taxation and municipal revenue

Presenter: Attorney J. Raymond Miyares,
