RE: Addendum # 1 for the BRGPP FY’20

Due to typographical errors/omissions the following addendum is being issued.

1) All Bids - The addition of Town of Becket and its contributions to the overall totals of the bids.
2) For FY20-03 Calcium Chloride- It has been amended to allow for “Safe Bind” or Equal.
3) For FY20-04 – Culverts Town of New Marlboro Culverts changed from single to double wall
4) For FY20-17- Town of Egremonts Locations for LP gas have increased but the volume is the same (6,000 gallons)
5) To clarify on the administrative fee. This fee is only required upon time of award, not as part of general bidding. Like bonding it is based on the total contract award. This fee came from the result of market research of other group purchasing programs as well as state contracts.

PLEASE ATTACH THIS SHEET TO YOUR BID PACKAGE TO ACKNOWLEDGE YOUR RECEIPT OF THIS ADDENDUM NO. 1

There are no other changes.
