## The Transportation & Climate Initiative: Clean Transportation for Rural Communities

The Transportation and Climate Initiative is a multi-state compact to reduce carbon emissions and invest in better, cleaner, more equitable transportation. What does this mean for rural communities and transportation in Massachusetts? What are the benefits, and who decides how the program is run?

Find out more at this important online event on Tuesday, November 10<sup>th</sup> at 7:00 PM. [Please register today!](#)

Who should attend? This program is for anyone who cares about clean transportation in rural Massachusetts communities, including residents, businesses, community leaders, transportation and environmental advocates, community organizations, and local elected officials.
