Holiday Greetings from the Staff at BRPC

Greetings from the staff and leadership of Berkshire Regional Planning Commission!

We are pleased to share the BRPC FY24 Annual Report, which we hope you will share with your municipal staff and volunteers. It reflects the many projects and programs our team and yours have worked on together over the past year. Thank you for involving BRPC in your local initiatives and inviting us to help you reach your goals. Strong partnerships with you make our work more meaningful and lead to more impactful results for your community.

As you'll see, it has been another busy year for our growing team. We brought in several new staff members with unique skills and fresh perspectives,

Annual Report

FY 2024
September 2024

strengthening an agency already populated by dedicated and committed professionals,

many of whom have served for a decade or more. This group, with the strong support of our administrative staff, managed 170 distinct contracts during FY24, many of which were aspects of more complex projects and initiatives.

As ever, the success of our region is a team effort, one that cannot be accomplished without those who work at a local level for the best interests of your individual communities, in concert with county-wide collaborations and partnerships.

We hope this holiday season provides opportunities for rest and reflection, and that as we embark on the New Year together, we all find renewed energy for the work ahead.

Sincerely,

[Thomas Matuszko](#)
Executive Director
