Amendment	2026: Statewide-CON-Non-Interstate Pavement-NHPP	4/21/2026	\$9,422,966	\$6,800,788	-\$2,622,178	This project was initiated as a maintenance type project which became a capital improvement project. Since the 25% design, the scope of work was reduced by removing the signal and ROW work near the Lee shopping mall. This affected the traffic management approach which needed to be modified several times. The traffic management work in the 75% submission was over-estimated and was subsequently corrected in the 100% and PSE submissions.
